

God said, "Larry it's time to come home,
You've been fighting this way too long,
Your work on Earth is finally done,
Come to Heaven, where once again
you will be strong."

A kind, gentle, caring man,
Who would do anything for his fellow man,
Now he's in a better place,
Meeting God face to face.

So I will leave this Earth and the ones I love,
To be with God in Heaven above.
