

Her Love Was Complete

*Her smile was sweet, her love complete,
And her ways were gentle and true...*

*She was more than a mother, a neighbor, or friend,
Which was shown in all she would do....*

*She loved to cook, and did it so well,
So many remember this trait....*

*She loved to serve others, be it coffee or tea,
And, a piece of her warm, apple cake....*

*We will miss her so, as each day goes by,
Yet we know she'll remain in our hearts....*

*She'll greet us someday in her warm, simple way,
And never again will we part.*
