

*Dearest Everett*

*I loved you so much  
The day we were married  
I still love you so much  
The day you are buried.*

*God knows best  
This way of life  
We're not to fight it  
With any of our strife.*

*It was for me  
The tears did flow  
My heart does ache  
Only God would know.*

*God gave His son  
To die on the cross  
With acceptance of Him  
We'll know no loss.*

*With all of my love,  
Shirley*
