

TOGETHER STILL

Let me hold your hand as we go downhill
We've shared our strength and we share it still
It hasn't been easy to make the climb
But the way was eased by your hand in mine
Like the lake, our life has had ripples too
Ill-health and worries and payments due
With happy pauses along the way
A graduation, a raise in pay
At the foot of the slope we will stop and rest
Look back if you wish, we've been truly blessed
We've been spared the grief of being torn apart
By death or divorce or a broken heart
The view ahead is one of the best
Just a little bit farther and then we can rest
We move more slowly but together still
Let me hold your hand as we go downhill
