

## *Daddy*

God saw you were getting tired  
And a cure was not to be  
So he put his arms around you  
And whispered "Come With Me"  
With tearful eyes we watched you suffer  
And watched you fade away  
Although we loved you dearly  
We couldn't make you stay  
A golden heart stopped beating  
Hard working hands put to rest  
God broke our hearts to prove to us  
He only takes the best.
