

MOVIN' ON

Grandpa's mind is good again
He knows right where he's at.
He's met the God he preached about
And he's singin' I'm sure of that.
From his view point all things are new
And he's got much to see.
Yes that old man's not old today
From aches and pains he's free.
Think of all the questions now
That Grandpa must be askin'.
Yes I can see him smilin' oh
And I can hear him laughin'.
Grandpa used to talk about the
Family I never knew.
How on the farm where I live now
Generations loved and grew.
A Christian family heritage was the
Portrait that they painted and
Gramps is there with most of
Them all getting reacquainted.
He loved to mix and talk with folks
He never knew a stranger
But I'm sure he'll be speechless
On his knees before the Savior.
Grandpa liked a challenge and
For now he's won the race
But he'll be shoutin' and a grinnin'
When he sees Grandma's face.
