

## Crossing the Bar

---

Twilight and evening bell,  
And after that the dark!  
And may there be no sadness  
of farewell,  
When I embark;

For tho' from out our bourne  
of Time and Place  
The flood may bear me far.  
I hope to see my Pilot face to  
face  
When I have crossed the  
bar.

—Tennyson.
