

Father, I have knowledge,
So I pray you'll show me now
How to use it wisely
And find a way somehow
To make the world I live in
A little better place,
And make life with its problems
A bit easier to face....
Grant me faith and courage
And put purpose in my days,
And show me how to serve Thee
In the most effective ways
So all my education,
My knowledge and my skill
May find their true fulfillment
As I learn to do Thy will....
And may I ever be aware
In everything I do
That knowledge comes from learning-
And wisdom comes from You.
