

*Jesse L. and Eunice M. (Pickett)
Primmer*

*Inside Your Heart
By Steve Jackson*

*Right now, I'm in a better place,
And though we seem apart,
I'm closer than I ever was....
I'm there inside your heart*

*I'm with you when you greet each day
And while the sun shines bright,
I'm there to share the sunsets too...
I'm with you every night.*

*The rainy days that we endured,
The joyful times we'd share,
Just look inside your loving heart,
And you will find them there..*

*And when the day arrives
That we no longer are apart
I'll smile and hold you close to me...
Forever in my heart*
