Comfort

The Power who pities man has shown
A blessing for the eyes that weep.

The light of smiles shall fill again
The lids that overflow with tears;
And weary hours of woe and pain
Are promises of happier years.

There is a day of sunny rest
For every dark and troubled night;
And grief may bide an evening quest,
But joy shall come with early light.

For God hath marked each sorrowing day,
And numbered every secret tear,
And Heaven's long age of bliss shall pay
For all His children suffer here.
