

When I'm Gone

*When I come to the end of my journey
And I travel that last weary mile
Just forget if you can, that I ever frowned
And remember only the smile.
Forget unkind words I have spoken;
Remember some good I have done.
Forget that I ever had heartache
And remember I've had loads of fun.
Forget that I stumbled and blundered
And sometimes I fell by the way.
Remember I have fought some hard battles
And won ere the close of the day.
Then forget to grieve for my going
I would not have you sad for a day,
But in summer just gather some flowers
And remember the place where I lay,
And come in the shade of the evening
When the sun paints the sky in the west
Stand for a few moments beside me
And remember only my best.*
