

She saw a door and Daddy was behind it. Mom had a broken heart.

Mom missed Dad a lot.

Mom's last days, I just watched and listened to her.

*She wanted to know where her baby was,
where Ruben was. She had cookies in her hand
and I took my hand in hers and she gave them to me.*

There was no cookie.

*It is not a thing I wanted to do,
watching my mom & dad both at the end of their lives,
but I've learned a lot.*

*They were both there for the beginning of my life,
and I was there at the end for both of them. - Janet Neher -*
